

The 2020 Student Periodical Health Checkup Guide

1. To prevent the spread of Covid-19 infection, the schedule is set for each subject.
Please apply from the dedicated website below. (If you do not have a reservation, you cannot receive the Health Checkup.)
2. Please download and fill in the questionnaire in advance. (New students who have submitted in advance are not required.)
 download questionnaire >> https://www.geidai.ac.jp/wp-content/uploads/2020/07/monshin_Eng.pdf
3. Be sure to wear a mask.
4. The university will not issue health certificates for students who failed to receive an annual health checkup.
5. Make sure to bring your student ID card, which will be needed at the reception. If you don't have it, make sure to have your student number at hand.
6. Please contact the health care service center if you have special needs.

【Checkup items】 ①medical interview sheet、②Chest X-ray (This year, we will reduce inspection items.)

Note1: Female students are asked to bring a plain T-shirt (without prints or embroideries) for a chest X-ray.

Note2: You are responsible for your belongings; Do not bring any valuables to the venue.
